Hiring and Interviewing Committee Notes

The group meet on June 25, 2013 for a short meeting to review the following items.

1) How the process for hiring for spring went for all involved.
2) Review all hiring documents.

A suggestion was made to investigate local schools and their starting salaries for teachers to see if Wolf Creek is staying competitive. Lake suggested contacting Rush City Schools as they just completed a similar study and Quarnstrom agreed to follow up on this.
